### **Pohutukawa honey.**

Lovingly harvested by our bees, from the 2019 Christmas flowers of Pohutukawa trees, growing on the shores of Parengarenga harbour in the Far North of New Zealand.

This honey has a unique, beautiful flavour. Best enjoyed with cheese, figs or on its own.

Described as "the taste of love" and likened to fine wine, there are limited (under 100) jars available of this seasons Pohutukawa honey.

**200ml jar \$23.00 GST inc.**

**Limited amount available.**

### **Wildflower Honey.**

Made from the wildflowers growing in the fields and wildlands of the Far North. This beautiful aromatic blend includes nectar from kanuka, myrtle, field lotus, clover, and manuka.

Honey to be enjoyed slathered on toast, in your favourite beverage and anytime you'd like something a little special.

**100ml jar \$6.00 GST inc.**

### **Wildflower with comb.**

Made from the wildflowers growing in the fields and wild lands of the Far North. This beautiful aromatic blend includes nectar from kanuka, myrtle, field lotus, clover, and manuka.

Honey to be enjoyed slathered on toast, in your favourite beverage and anytime you'd like something a little special.

These jars have a small amount of honeycomb suspended inside, like a beautiful treasure waiting just for you.

**200ml jar \$15.90 GST inc.**

**Very limited supply available.**

---

### **Beeswax.**

These beautiful lozenges of wax are perfect for making small amounts of balm or sealing documents, made from wax the bees used to cap their honey in the honey boxes (no chemicals).

The scent of the beehive will fill your senses when you open your package! Designed for someone who doesn't want to buy a whole block of wax.

Packaged in a small cotton bag, hand sewn for the purpose.

**Three lozenges of wax (45grms) \$6.50 GST inc.**
